

Maintaining the appeal of Deal and Walmer

The Deal Society has been the civic society for Deal and Walmer since 1964 and we continue to work for the benefit of the area.

Deal has unique charms which make it such a popular place to live and visit. The town has adapted to changes over the years and must continue to do so but we aim to ensure that happens in a way that retains what is most attractive about our town.

Our aims are:

- To encourage high standards of architecture and town planning in Deal, Walmer and the surrounding districts.
- To stimulate public interest in and care for the beauty, history and character of the town and its surroundings.
- To encourage the preservation, development and improvement of features of general public amenity or historic interest.

To keep in touch with what we do, subscribe to our newsletter at our website and follow us on Facebook and Twitter.

Best of all, join us and get involved!
